

VERY GOOD TO EXCELLENT

Two Spear Street

Review Highlights - "What a beaut!" declare diners at this "out-of-the-way" New American "hidden" at the Nyack seaport, where signatures such as seafood manicotti head an "excellent"... menu; "first-rate" decor in the "small", champagne-colored room includes a wall of French windows overlooking the Tappan Zee Bridge, making it a "nice place to relax", and "well worth the search" to find.
